Stylish Upholstered Sofas, Sofa Beds, and Chairs for Commercial Venues

Our new Signature range of contract soft seating has been specially curated to add designer style and relaxing comfort to any commercial setting. Discover beautifully upholstered sofas, sofa beds, lounge and cocktail chairs in a range of styles from cool and contemporary to tailored and traditional.

Hand-crafted, our durable contract-grade upholstered furniture is available from as little as four weeks and in a choice of 60 fabrics and leathers, including recycled and stain-resistant options.

With sizes ranging from an armchair to a 3-seater sofa or sofa bed, you'll find the right furniture to fit your location, and with modular options available, we've made it easy to get soft seating through tight spaces.

Elkstone Sofa

With generous proportions and stylish retro-inspired curved arms, the Elkstone Sofa has a beautifully upholstered single seat cushion with blind buttoning. Curved solid beech feet and round bolster cushions add stylish detail.

Sofa Materials

- **Frame:** Solid Birch, birch ply and OSB (oriented strand board)
- **Seat Cushions:** Endura high density foam with a dacron wrap for comfort
- **Back Cushions:** Fibrefill Blue - 100% recycled polyester fibres

Soft Seating Fabric Options

Wool Effect Fabric

A brushed twill fabric, designed to emulate the look of traditional wool, Agua Tones is available in 12 stunning shades. The soft, tactile finish is the perfect blend of style and comfort.

Designed for heavy contract use, Agua Tones is fire-retardant, anti-bacterial and waterproof. It has stain-resistant properties and is easy to keep clean.*

Composition: 100% Polyester

Recycled Linen Effect Fabric

With a smooth cotton feel and attractive close-knit weave, the Warwick Linear collection would suit both classic and contemporary interiors and is available in 7 thoughtfully chosen shades.

A great balance between durability, comfort and style, Warwick Linear is Crib 5 FR rated and has been designed for use in any commercial area.*

Composition: 100% Recycled Polyester

* For more details on any of our fabrics or to order swatch samples, please contact us on **01452 336 520**

Velvet

An elegant and on-trend plain velvet fabric, Sunbury Madison has a natural soft touch and is available in 15 contemporary and classic shades.

Created for use in heavy contract areas, Sunbury Madison has been treated with Everclean+, making it water and oil repellent as well as stain resistant, so will stay looking fresh with minimal maintenance.*

Composition: 100% Polyester

Recycled Woven Fabric

Woven using recycled polyester yarns produced from waste plastic, Sunbury Zonda offers a responsible choice for more sustainable interiors. The stylish two-tone basket weave is available in 9 contemporary shades that will add colour and texture to commercial venues.

Designed to meet the high demands of hospitality upholstery, Sunbury Zonda includes the Evergreen finish, which is PFC-free, and anti-viral with a halogen-free fire retardant coating.*

Composition: 100% Recycled Polyester

* For more details on any of our fabrics or to order swatch samples, please contact us on **01452 336 520**

Genuine Leather

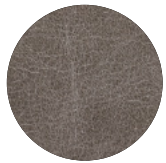

Crest Old English is a collection of aniline finished leathers, lightly buffed with a special blend of oils and waxes to give a warm, aged look. With its distinctive crackled and distressed finish, this popular leather is available in 9 classic shades, and has a hand-crafted, heritage appeal.

Suitable for use in commercial venues, Crest Old English Leather is naturally durable, but will require regular care and maintenance to keep it looking at its best.*
